

"Words can hardly describe how much I enjoyed this summer. It was really a life changing experience; there was never a dull moment. This was by far the most amazing summer that I ever had, and I highly recommend it. I met so many amazing people and had so many amazing times."

– Joyce, Brooklyn, NY

"Dictionary.com defines Inclusion as 1. the act of including or 2. the state of being included. Yad B'Yad is the epitome of inclusion. It is an experience that is altogether impossible to describe. However, it is the combination of friendship and learning, which makes a summer full of growth and experience one which should never be missed."

– Eliana, Baltimore, MD

Yad B'Yad Israel Experience

Dates: Monday, July 18th – Sunday, August 21st, 2011 *

Cost: \$7,050 + \$250 application fee **

Grades: Currently in grades 10-11

The **Yad B'Yad Israel Experience** brings high school students together with Yachad members (adults with special needs) on a fabulous Israel adventure. Participants form strong bonds of friendship and undergo personal growth as they experience the Jewish homeland, Israel, in a new and unparalleled way.

With safety always our first priority, our group enjoys time in Jerusalem, on an Israeli army base, at the Kineret and Dead Sea, and many other fantastic locations. They ride camels, hike up Masada, and participate in special Shabbat programs. Participants also give back to the residents of Israel by helping out in a soup kitchen, visiting underprivileged children, and so much more. Yachad members experience Israel just as their peers do, forming incredible relationships with their new friends. High school students benefit from a unique opportunity to give to others while gaining introspective insight. The program begins with a four day orientation, where our high school students receive background and preparation for (interacting with our Yachad members on) our Yad B'Yad program. The orientation is followed by a Shabbaton in the New Jersey area where the high school students meet up with the Yachad members and enjoy Shabbat. The group will depart for Israel, together, on Sunday, July 24th.
