MEGILLAT ESTHER
Power Point Presentation

THE MITZVAH OF MEGILLAT ESTHER...

The mitzvah of hearing Megillat Esther applies to every Jew. Yet, for the deaf and hard of hearing, this mitzvah can be quite elusive.

In answer to this difficulty, Our Way/NJCD (National Jewish Council for Disabilities) is proud to offer an extraordinary Power Point Presentation of Megillat Esther that enables every Jew to be included in and enjoy the celebration of Purim.

Developed in Canada by Frank Duchoeny of Our Way/Montreal this program enables the deaf and hard of hearing to follow along with the Megillah reading through the use of visual graphics projected to the front of the synagogue or school.

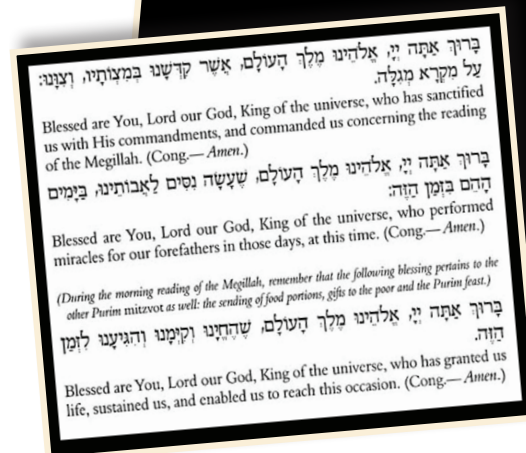

HERE'S HOW IT WORKS:

Simply pop the disc into your computer drive and the program will appear on your desktop. As the chazzan reads the Megillah, a hearing individual follows along on the screen at the front of the synagogue using the computer's mouse.

THIS FUN AND ENGAGING PRESENTATION WILL BENEFIT:

-  Individuals with hearing loss
-  The elderly
-  Visually challenged individuals
-  Children with attention deficit disorders
-  Children with learning difficulties
-  Children and adults of all ages.

SPECIAL FEATURES INCLUDE:

-  The entire Megillah in both Hebrew and English
-  Engaging and varied graphics for Haman
-  The brachot (blessings recited before and after the reading)
-  Highlighting for the pesukim (verses) that are repeated by the entire congregation.

WE SUPPLY:

-  CD Rom
-  "David" font software
-  Instruction sheet

YOU WILL NEED:

-  Laptop or PC
-  Projector and screen
-  Individual to run pointer/oversee computer
